

# atc Sun Ray Over Door Heater

## With Remote Control

# ATC Sun Ray Over Door Heaters c/w Remote Controller

ATC Sun Ray Over Door Heaters come in two sizes 3KW and 4KW. They are supplied with a handheld Remote Control to provide the user with the option of manually or remotely switching the heater.

ATC Sun Ray Over Door Heaters provide heating over entrances to buildings such as Restaurants, Bars, Offices and Retail Shops. Thanks to the compact design and air intake at the front, the over door heater can be mounted where space is limited between the ceiling and the upper edge of the doorway.

ATC Sun Ray Over Door Heater c/w Remote Control
